

Block 1 – Revelation 1:8

Tips for Block

ALPHA means beginning; therefore, I used one of the three fabrics for the contest for ALPHA and the other two for "and" and the background.

OMEGA means end; therefore, I used the main fabric I used for the back of the quilt for it.

You might consider using your backing fabric for OMEGA and select the other three fabrics for this block first. Or choose a light background fabric and three fabrics that contrast well with it for the words.
