

## Block 2 – Revelation 1:11-18

### Tips for Block

Use embroidery floss to create the stars where the \*'s are. Arrange the stars so that it appears that all 7 are in his hand.

Use embroidery floss to make chain for key coming from the hand above.

Use a permanent marker to write the words in the bubble underneath the sword.

Use white satin for the robe, a golden fabric for his sash, and bronze for his feet. The lampstands should be golden with white candles. If you'd like to put two keys instead of one that would be appropriate (the NIV version is plural – "keys to death and Hades")
