

Block 11 – Revelation 5:1-2

Tips for Block

If you'd like the scroll to appear more like a scroll, take a piece of white fabric that is 3" x 4", fold in half lengthwise and sew with a ¼" seam allowance. Press seam open, turn inside out and press so that seam line is in the center. Use a golden fabric for the seals and adhere seals over the seam. Use fusible on the back of the scroll to adhere it to the block. Place the handles over the ends of the scroll to conceal those raw edges.
