

Block 18 – Revelation 6:12-17

Tips for Block

The moon should be dark red and the sun should be black. You can make the wavy lines around the sun with a black permanent marker. I recommend using a grey fabric for the background square. You can create the earthquake by freeform cutting the ground fabric into three pieces similar to what is illustrated above and placing a red fabric underneath the cuts.

The stars should be scattered on the ground with just a few low in the sky.

Use the same fabric for the seal as you used for the seals in block 11.
