

Block 21 – Revelation 7:9-10

Salvation belongs
to our God &
to the Lamb

Tips for Block

Use a golden fabric for the background of this block; the same one you'll use for New Jerusalem, if possible. I used a royal blue fabric for "Salvation", "God", and "Lamb" and a permanent marker for the rest of the words.

The lower part of the block is done in a broderie purse style, using a fern fabric and fabrics with children on them. Iron fusible web to the back of the fabrics and then cut out the children's heads. Also, cut the fern branches apart. Place the children on the bottom half of the block with fern branches in between so it looks like they are waving them. Take care to cover up all of the background. Fill up the remainder of the page (up to the words) with more fern branches that are placed somewhat vertically.
