

**Block 28 – Revelation 8:10-11**

**Tips for Block**

Use a lighter blue for the river so that the writing will show up on the fabric. Use a medium/dark blue for the sky and a medium/dark green for the grass. Use white fabric for "many people" and "from the water". Use black fabric for "died".

The trumpet should be made out of the same fabric as those in block 25. I made the number 3 out of black fabric.
