

Block 29 – Revelation 8:12

Tips for Block

Piece the night sky with a solid black in the middle section and a black star fabric in the top and bottom sections (cut each piece $3\frac{1}{2}'' \times 2\frac{1}{2}''$). The moon should be off white with $\frac{1}{3}$ of it blacked out (use black fabric). The background for the left half of the block should be a medium/light blue (cut $3\frac{1}{2}'' \times 6\frac{1}{2}''$). The Sun should be golden with $\frac{1}{3}$ of it blacked out, make $\frac{1}{3}$ of the sun's rays out of black fabric. Use a red fabric for the words so that it will show up on both background fabrics.

The trumpet should be made out of the same fabric as those in block 25. I made the number 4 out of black fabric.
