

**Block 33 – Revelation 9:20-21**

**Tips for Block**

Use two colors of fabric for the letters that contrast well with the background square. I used a gold fabric for "MANKIND" and "DID" and a deep red for "STILL", "NOT", and "REPENT".

Note: When making the 6" blocks, I make "NOT" out of gold and not the red. It's your choice. Emphasize whatever the Lord leads you to emphasize.
