

**Block 34 – Revelation 10:1-10**

**Tips for Block**

Use medium blue fabric for the background square. Left bottom of block should be water blue; right should be green grass. Legs and arm should be fiery red. Cloud and paper in hand should be white. The wings should be golden. Use bright yellow for sun face. There should be a rainbow above the head; fussy cut one, if possible; otherwise create one with colored permanent markers. "7 thunders spoke" should be cut out of fabric that contrasts well with the background. The other words are written with a black permanent marker.
