

Block 35 – Revelation 11:1-6

Tips for Block

Use a light-medium background for the block and strong contrasting fabric for the larger words. I used a gold fabric for the box and a permanent marker to write what the two witnesses can do. I used the same fabric for "w/ GOD'S Power"; it doesn't have to be the same, but should contrast nicely with the background. Use a fabric with a coarser weave for the clothes, black for the feet and a skin colored fabric for their heads and hands. (NOTE: use the same fabric for the witnesses in all three blocks that they appear in.)
