

Block 38 – Revelation 11:15-18

Tips for Block

Use a medium/medium-dark colored fabric for the background. Use black for "Judgment" and gold for "Rewards". All of the other letters should be cut out of a fabric that contrasts well with the background fabric.

The trumpet should be made out of the same fabric as those in block 25. I made the number 7 out of background fabric, but you may choose to cut it from black if you wish.
