

Block 42 – Revelation 12:8-9

Tips for Block

I used a darker blue fabric with white dots to show that this was happening in the heavens (space/among the stars). Use the same fabric for the dragon as in the other blocks. Do not worry about showing the dragons teeth; cut the whole head from the same fabric. You may cut it all as one piece; it will be easier to place and work with since it is so small. Make the angel using the same fabric as in Block 41. Use a blue/green fabric to represent the earth.
