

Block 45 – Revelation 14:1-3

Tips for Block

Use a background fabric that has musical notes or something representing music on it. The mountain should contrast nicely with the background; I used purple fabric for the mountain and white letters for the words Mt. Zion. The number 144,000 was done in white and placed so that it just touches the mountain. The sheep on the mountain top is done in white with grey legs, face, and ears. Draw the eyes with a black permanent marker.
