

**Block 48 – Revelation 14:9-11**

**Tips for Block**

Use white for the angels clothing with gold for the number and wings. You may choose to fussy cut a head for the angel from a printed fabric if you wish. Use a medium/dark background fabric and a fabric that will contrast well with it for the words. In my original quilt, I used a swirly teal green for the background and a dark burgundy red for the words.
