

Block 49 – Revelation 14:14-16

Tips for Block

Use black for the background, blue for the circle that is the earth, and green for the continents. Use a flesh color for the hands, feet, and face of the angel. I used a white satin for the angel's clothing. Use gold for the crown and a grey or metallic for the sickle. Use a solid or something that reads solid that contrasts well with the background for the words.
