

## Block 51 – Revelation 16:2

### Tips for Block

Use a medium/dark background for this block. Make the bowl out of the same fabric as the seven bowls on the previous block. Make the hand/arm out of flesh colored fabric and use a funky pink and white fabric for the sores (you can cut these freehand if you like). I used the same fabric for the #1 as I did for the sores. Write 666 on the forefinger with a permanent marker.
