

**Block 52 – Revelation 16:3**

**Tips for Block**

I used a green background for this block to represent the land and a deep red for the sea, which has been turned to blood. I used the same fabric for the #2 as I did for the sea. Find a fabric with fish and other sea creatures; iron on fusible web on the back of them, and cut them out. When placing them on the sea, cut them apart in little pieces to indicate that they are dead and group them together so that you can tell what the creature/fish was. Use a permanent marker to write the words on the background square.
