

## Block 56 – Revelation 16:12-13

### Tips for Block

Use a blue (sky) for the background, a shade of green for the ground, and a brown or tan for the river bed. Find a fabric with bright colored frogs and choose three to fussy cut and place them on the river bed headed toward the lower left corner. Make the bowl from the same fabric as the other bowls. I used green for the number 6.
