

Block 59 – Revelation 17: 3-6

Tips for Block

Use a light/medium blue for the background square. Use a bright red (scarlet) for the beast's body and fussy cut 7 cat heads to place on the neck of the beast. (If no fabric available to fussy cut, use pattern on next block to create 7 cat heads.) Cut 10 skinny triangles for horns out of gold and place on the heads; 3 of the heads will have 2 horns and the others will have only one horn. Use black for the woman's hair and tan for her face. Use a black permanent marker to draw on the facial features. Use a red permanent marker draw blood dripping out of her mouth and around the top of the golden goblet. Her clothing should be purple and scarlet (I made stripes) as indicated. Write the following words on her forehead: "MYSTERY, BABYLON, PROSTITUTE".
