

Block 68 – Revelation 19:11-15

Tips for Block

Use a golden fabric for around the circle, a blue fabric for the circle, white satin for the horse, and blood red for his clothes. The crowns should be gold as should the sword. I used a metallic fabric for the blade of the sword. (Note: I used a reverse applique technique for the gold and the blue. Cut squares of both fabric and cut a circle out of the gold and place it on top of the blue fabric. The gold square should have fusible web on the back of it.)
