

**Block 75 – Revelation 20:9**

**Tips for Block**

Use a medium green fabric for the background square. Make the words "Satan's followers" out of black. Make the building in the middle out of a tan/brown and the words "God's people" out of a dark red. Draw on the stick people with a black permanent marker. Cut flames out of a red/orange/yellow fabric either freehand or using the ones above as a pattern and place a flame on the top of each of the black letters and the stick people.
