

Block 77 – Revelation 20:11-13, 15

Tips for Block

Use a deep purple for the background square. Make the flames out of two fabrics as in block 70; you can make just four overlapping rows of flames if you like. Use a solid gold for the "?", the arrows and the cover of the book of LIFE. The inside of the book should be white. New Jerusalem should be made out of a golden fabric and the circles should be out of a white satin fabric. (Note: be consistent; use the same fabrics for New Jerusalem wherever it occurs.) Make the throne out of white satin fabric. I made the word "LIFE" out of the solid gold fabric and the words "YES" and "NO" out of a medium/dark blue.
