

## Block 78 – Revelation 20:14

### Tips for Block

I used a yellow/gold background square for this block; you may use any color that will contrast well with the rest of the block. Make the flames out of two fabrics as in block 70. Use the same fabrics for Death and Hades that you used in block 16 and write Death and Hades on them with a black permanent marker. I used black to make the arrows.
